

EELISA Student Mobility - Information sheet on the reimbursement of travel expenses

Please read the entire document carefully and proceed accordingly, otherwise reimbursement may not be possible or may only be possible in part. The travel expense claim is the responsibility of the traveler!

The type and scope of travel expense reimbursement are regulated by the Bavarian Travel Expenses Act (BayRKG) as well as the ordinances and administrative regulations issued in connection with it.

FAU students can only receive financial support within the framework of the EELISA project twice during their entire period of study at FAU. Three FAU students can be funded per EELISA activity that takes place at one of the EELISA partner universities. Selection is on a first-come, first-served basis.

1) Authorisation prior to departure:

Form R0024: Auftrag zur Durchführung einer Reise with original signature - send this in paper form by post to the EELISA team for approval.

Before travelling, the following must be observed:

- About travel:
 - o For traveling to Paris, Budapest and Zurich going by train is mandatory – plane tickets will not get reimbursed. Traveling to Pisa by train is recommend.
 - o The use of an aircraft must be justified on a separate supplementary sheet, unless it is an overseas flight.
